They were located in front of the hospital where Go Eun-ah was being treated.

However, nothing resulted from Tao-shik and Sung-tae's meeting?

As written in the report, ma'am.

Heroes are  
classed in groups  
from A to D.

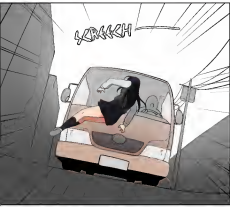

D-class heroes have  
the potential to  
become A-class.

C-class heroes are  
good at subduing  
people.

B-class heroes can control or subdue a troop of soldiers.

Lastly,  
A-class heroes...

have the ability to  
destroy a country,  
if not something  
greater than one.
